

What is the Called Conference?

Called is a week-long summer event in Moscow, ID that will challenge our youth to become the next generation of cultural leaders. The camp teaches high-schoolers to be leaders in the areas of film/writing, business/economics, law/politics, and news/media. The speakers include Matt Walsh, Douglas Wilson, Joe Rigney, Darren Doane, and Steve Deace.

A Pentecost Ball?

Historically, the Christian Church has celebrated the resurrection not merely on Resurrection Sunday but has devoted an entire season of the year to feasting and merriment. This season known as "Eastertide" lasts for six more Sundays after Easter Sunday, culminating fifty days later on Pentecost Sunday. This Ball is but a small attempt at re-learning and re-claiming this Christian heritage of festivity and gladness. Come join us as we celebrate this reality that is too good for mere words.
